If you would like to make an appointment, contact Leslie Brewin at
les@artmakersintl.com or 727-343-2800

Vicky Howard

Vicky's art is best showcased within the beautiful framework of her elegant designs. Her ability to create and manipulate borders, text, and colors is masterful! Vicky welcomes requests to format her designs for any and all product applications. She regularly paints coordinating designs and borders for most of her artistic subjects. Many of her beautiful everyday designs appear on products selling in **Barnes & Noble, Costco, Garden Ridge, JoAnne's, Kohl's, Lowe's, Target, Walgreens, and WalMart.**

The Morehead Collection

Thousands of Warm & Whimsical™ designs and charming characters are embraced by millions of consumers world wide. In addition to working with numerous manufacturers in the U.S., licensees include companies in France, Germany, The Netherlands, Russia and The United Kingdom. Spanish markets continue to greatly multiply their retail sales through these adorable angels, fuzzy animals, and cute kiddies.

Designs by Current

Current USA, Inc. is one of the largest direct mail marketer's of paper products, cards, and gifts. Most all subject areas are well represented by a variety of artists on www.designsbycurrent.com. It takes only minutes to set up a FREE account. There are over 40,000 designs which are organized by subjects and occasion.
